

# BB TRICKZ

SHE/HER

Bb trickz is an artist from Barcelona, Spain, who has quickly risen to fame by combining her drill-heavy sound with her schoolgirl aesthetic and playful bar work. With over 4 million monthly listeners, Bb trick is continuing to cross over into international success, which started earlier this year with her viral single 'Missionsuicida' (10M+ Streams). Only 10 days after dropping the viral track, Bb trick released her debut EP 'Trickstar'. In the process, Bb has managed to showcase the depth of her stardom with just eight solo-released songs. While continuing to blend elements of drill with R&B-inspired vocals and a relentless and humorous bar game.

Bb trickz is carving out a unique space within pop culture. In the process, she's already received endorsements from artists like Karol G, Rosalia and Veeze, made an appearance on the Acne Studios catwalk alongside Rosalia and Kendall Jenner at last year's Paris Fashion Week and received critical acclaim from cultural elite with features in Vogue, Rolling Stone and Esquire.

2024 has been nothing but successful for the Spanish star. After recently releasing "Jálale Alv" ft Kevin AMF and "Soy La Más Mala de España," both of which became TikTok's most viral songs in May, Bb Trickz is gearing up for her next wave of releases. Among them is the remix of "Yo Soy El Más Chulo de España" featuring Omar Montes and Baby R

Bb is now in the final stretch of her first world tour, "BB RUN," with performances at festivals like Coachella, Lollapalooza, and Primavera Sound, continuing to prove that her artistry goes far beyond a viral moment.
